Executive

This eclectic menu was derived from the willingness to provide a memorable dining experience within downtown Toledo's premiere establishment. It also allows our chef to showcase his years of culinary expertise in an otherwise informal setting. Whether its paying homage to Escoffier and the techniques used in the old world, including the five classic french mother sauces or trail blazing the cutting edge, more modern approach as to how simple ingredients can stand alone in the forefront of your dinner. Please allow our staff to consult with you to perfect your next rehearsal dinner, business meetings, social gatherings or just a night out to impress colleagues and loved ones.

All of the suggested entrees are accompanied with house made bread and maitre de butter as well as choice of salad and two premium sides.
